Marlboro County Courthouse Roofing & Interior Renovations To the Former Sheriff's Department Wing

After careful review, Hal E. Fuller, AIA – F W Architects, Inc., the Architect in charge of the project considered the bid from Mungo Construction Non-Responsive as they did not provide a separate bid for the Alternate # 1. He advised therefore their bid must be rejected.

Mr. Fuller advised council needed to determine whether to accept the bid with the base bid only or with the base bid and alternate.

After careful consideration, Marlboro County Council accepted the base bid and alternate which included a handicapped ramp. Upon acceptance of these conditions council awarded the bid to Carolina Construction, Inc., Cheraw, SC at their September 14, 2010 Council meeting.
